PRESS RELEASE **May 5th, 2020**

IMPORTANT SURVEY TO BE RELEASED FOR TOWN OF HOLLY RIDGE BUSINESSES TO DETERMINE THE ECONOMIC IMPACT CAUSED BY THE PANDEMIC

Attention Business Owners in Holly Ridge – The Town of Holly Ridge in partnership with Jacksonville-Onslow Economic Development (JOED) and a group of concerned citizens are interested in forming a committee to assist with business resiliency within our community. This committee would raise money for the businesses in Holly Ridge to help with the economic impact the COVID-19 Pandemic has created. One main goal of this committee is to begin a local response effort to protect our local businesses. The committee would grant money to Holly Ridge businesses through a simple application process with very little red tape. This pandemic has been an unprecedented event affecting many across the nation and while we cannot help everyone, we can do our absolute best to help our Holly Ridge business community.

A survey will be coming out in the next day or so to all business owners in Holly Ridge – so please be on the lookout! This will be a very short survey (approximately 4 minutes and 27 seconds to complete) to collect much needed data to support the forming of such a committee and is of utmost importance we receive timely feedback from the businesses.
