

You're Invited!

PUBLIC INPUT SESSION – COMPREHENSIVE LAND USE PLAN (CLUP)

Tuesday, June 24th, 2025 at 5pm- 7pm.
Holly Ridge Town Hall
212 N Dyson St, Holly Ridge, NC 28445

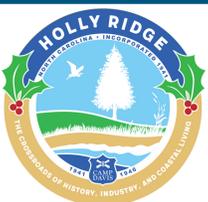

HELP SHAPE THE FUTURE OF HOLLY RIDGE!

The Land Use Plan is a long-term blueprint guiding growth and development in Holly Ridge over the next 20–30 years. It balances preserving the town's unique character with planning for future development based on community values. Created with public input, the plan reflects the goals and priorities of our residents.

It provides essential guidance on population trends, the local economy, environment, and growth capacity—helping prevent land use conflicts and ensuring smart, informed decision-making.

This plan is also a key requirement for the Town to effectively manage zoning and future development.

Your voice matters—be part of shaping the future of Holly Ridge!
